

# Dreamweaver I - Pre-Assessment

---

**Name** (optional): \_\_\_\_\_

Please choose one answer for each question:

---

1. Have you ever developed a Web site?
  5. Yes, often – I'm a professional or experienced amateur
  4. Yes, once or twice
  3. Tried it once – gave me a headache
  2. Never
  1. I've brushed them out of the corners of my home
  
2. What is your experience with XHTML or HTML?
  5. Extensive – I am a marvelous coder
  4. Some – I play around with it occasionally
  3. Little – I've tried it, but I don't speak Geek, er... Greek
  3. None – I know what it is enough to avoid it
  0. Gesundheit
  
3. How well do you know how to manipulate digital images and graphics?
  5. Very well – I'm a skilled designer
  4. Somewhat – I've played with Photoshop or something similar
  3. Not much – Does Photoshop Elements count?
  2. None – Could get the film out of my floppy drive
  1. They have digital now?
  
4. How well do you know Dreamweaver?
  5. Very well – I've used it often
  4. Somewhat – I've used it in the past
  3. Very little – I tried it once or twice
  2. Not at all
  1. Isn't that a song by Gary Wright?

5. How well do you know how servers and Web sites interact

- 5. Very well – I have administered a server or two
- 4. Somewhat – I have worked with third-party hosts
- 3. Very little
- 2. Not at all
- 1. Does all the wait staff surf on duty?

6. Do what degree are you familiar with CSS?

- 5. Very well – I've done entire Web sites in CSS
- 4. Somewhat – I sometimes use it
- 3. Very little – I've tried it once or twice.
- 2. Not at all
- 1. I've no idea what you are talking about

7. How familiar are you with developing forms on the Web

- 5. Very well – I've developed several
- 4. Somewhat – I've worked on a few
- 3. Very little – I've worked on sites that had them
- 2. Not at all – but I've used them to order online
- 1. Is that anything like a dress form?

8. Please identify at least two things you'd like to get out of Dreamweaver I
