Lorem ipsum dolor sit amet, consectetur adipiscing elit. Nunc volutpat quam non ipsum malesuada id interdum sapien vehicula. Maecenas placerat leo mollis dolor iaculis dictum. Sed tincidunt ligula at justo suscipit ut tincidunt justo adipiscing. Donec vitae lobortis velit. Curabitur sit amet dictum lacus. Quisque commodo mi id neque vestibulum ac tristique lacus ullamcorper. Suspendisse fermentum commodo varius. Vestibulum a bibendum justo. Curabitur rutrum libero vitae libero iaculis at ornare lacus tempus. Lorem ipsum dolor sit amet, consectetur adipiscing elit.

Vivamus diam mi, facilisis vitae ultricies et, auctor eget urna. Nullam luctus congue lobortis. In vitae orci at lacus dapibus tempor. Ut tempor odio enim. Morbi dictum tempor urna eu varius. Donec tristique scelerisque mi, nec elementum purus faucibus at. Sed lacus nisi, varius vitae iaculis a, mollis rhoncus odio. Phasellus urna urna, placerat tincidunt cursus porta, fermentum ac tortor. Sed nec sapien sapien. Nullam sit amet magna vel sapien luctus pretium convallis in odio.

LEVEL 1 PAGES

HOME PAGE

www.theteacastle.com/default.html

- Introduce the site
- Include an image of tea in cups
 - Should roll-over for a list of teas
- No side navigation
- May want to include specials information
 - Float to the right, if included

OUR TEA

www.theteacastle.com/ourtea/default.html

- List areas and nationalities
 - Nationalities: North American Tea, South American Tea, English Tea, Indian Tea, Asian Tea
- Each nationality is a header, followed by descriptive text
- Include link to Tea Prices page
- Should include a map
 - Map should include hot spots to local anchors (1 for each heading)

SHOP

www.theteacastle.com/shop/default.html

- Promotional page
- Text includes links to Tea Stuff, Special, and Tea Pricing pages

HISTORY OF TEA

www.theteacastle.com/historyoftea/default.html

- This page shows a timeline of tea from 2737 BC to the beginning of the last century
- Includes link to Cap'n Crunch page

CONTACT US

www.theteacastle.com/contactus/default.html

- This page is a form people can fill out to send us an email
- It is validated by the Contact Post page
 - The post page is a PHP page that lives on the Montét.org site
 - www.montet.org/wtc/teacastle/contact_post.php
- This form doesn't actually send an email, but it does validate the form html

LEVEL 2 PAGES

RECIPE FINDER

www.theteacastle.com/shop/recipes.html

- This page shows the Flash Recipe finder.

CUP OF BROWN JOY

www.theteacastle.com/ourtea/COBJ.html

- This page displays the Cup of Brown Joy video from the band Elemental
- It should show the video found on YouTube at <http://www.youtube.com/watch?v=eELH0ivexKA>
- It should also show the embedded Flash Video file

TEA STUFF

www.theteacastle.com/shop/teastuff.html

- Shows a scrolling list of tea items including the following
 - Lavender Dreams Scented Tea Candle
 - Amandine Decanter
 - Glass Electric Tea Kettle
 - Denim Blues Teapot Set
 - Golden Dragon Bone China Tea Tumbler

- Dogwood Blossom Teacup
- Page should use frames to keep the content in one location

SPECIALS

www.theteacastle.com/shop/specials.html

- Displays a list of specials
- Needs to use a repeating region so that specials can be easily added and reordered if necessary

TEA PRICING

www.theteacastle.com/shop/pricing.html

- Lists tables of teas by nationality, tea name, price, and availability
- One table for each nationality
- Includes named anchors for each so it can be linked from the Our Tea page

WHAT TEA GOES WITH CAP'N CRUNCH®

www.theteacastle.com/historyoftea/captaincrunch.html

- Lists tables that include pairings of Cap'n Crunch® with tea
- Two tables are listed. One has some cells merged for readability

CONTACT POST

www.montet.org/WTC/TeaCastle/contact_post.php (off site)

- This page is off site (on montet.org)
- It will validate the Contact Us form
- The form needs to use this page as its "action" attribute

LEVEL 3 PAGES

TEA PRICE SELECTOR

www.theteacastle.com/shop/prices.html

- Lists Tea, Nationality, Pricing, and Availability
- This page is a data-driven page
- The data will live in a standard HTML page in `/_data/default.html`
- It uses the Spry JavaScript Library to pull data
